

KAJ PTIČI POJO

Laura Medle

Oče, rad bi se učil kaj žabe regljajo.

Lahko, ko pa se vrneš, mi boš pomagal pri delu.

Rega rega kvak...

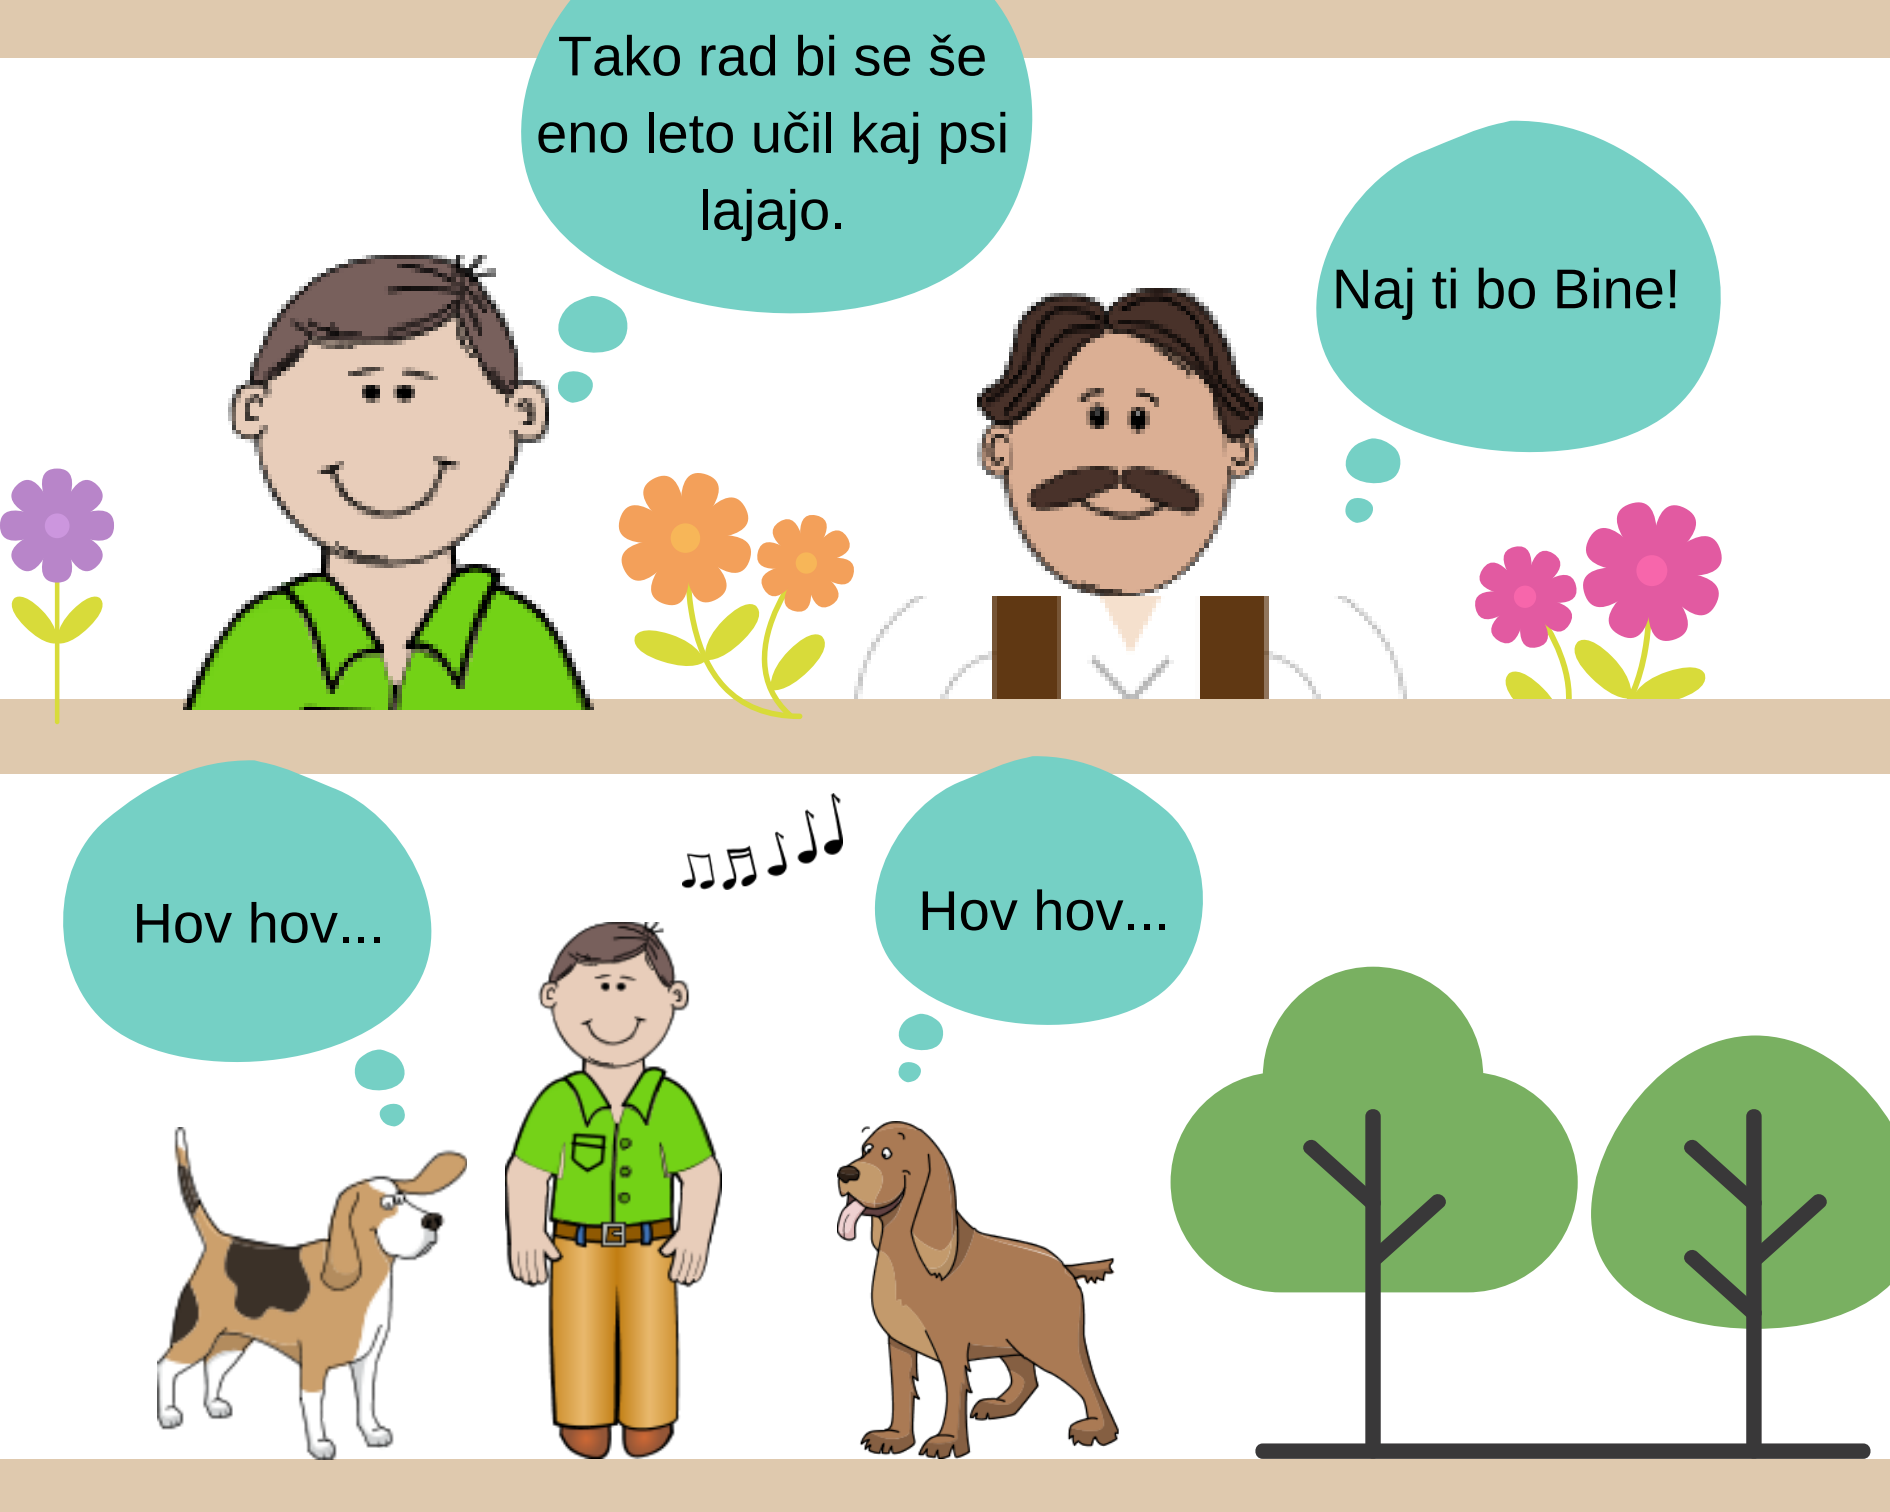

Tako rad bi se še eno leto učil kaj psi lajajo.

Naj ti bo Bine!

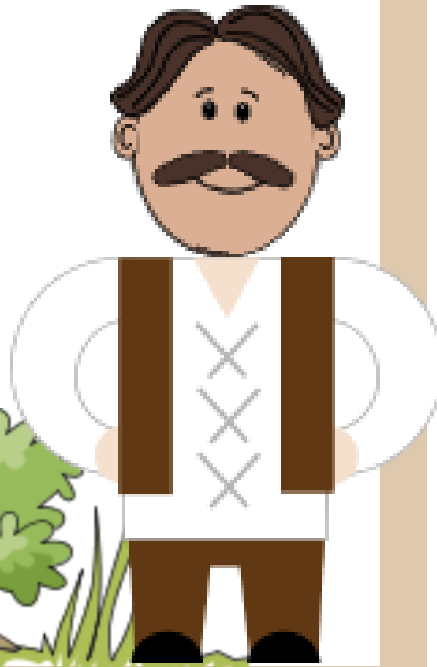

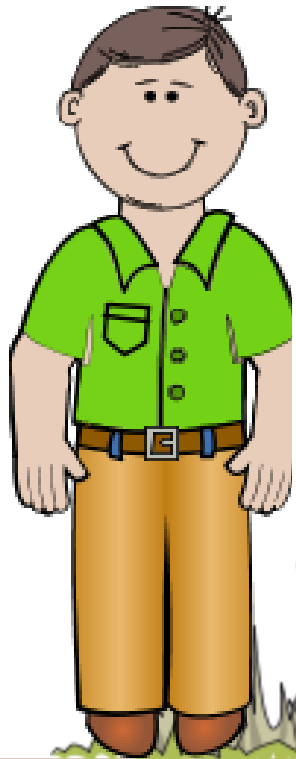

Hov hov...

Hov hov...

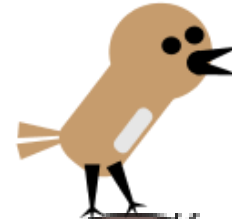

Prosim, dovoli mi,
da se učim še kaj
ptiči pojo. To mi
pomeni največ.

Tokrat ti
dovolim zadnjič.

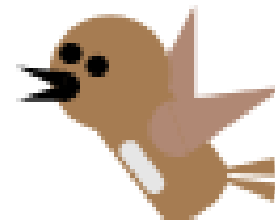

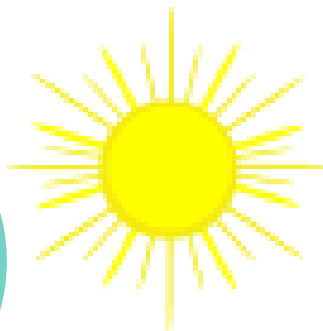

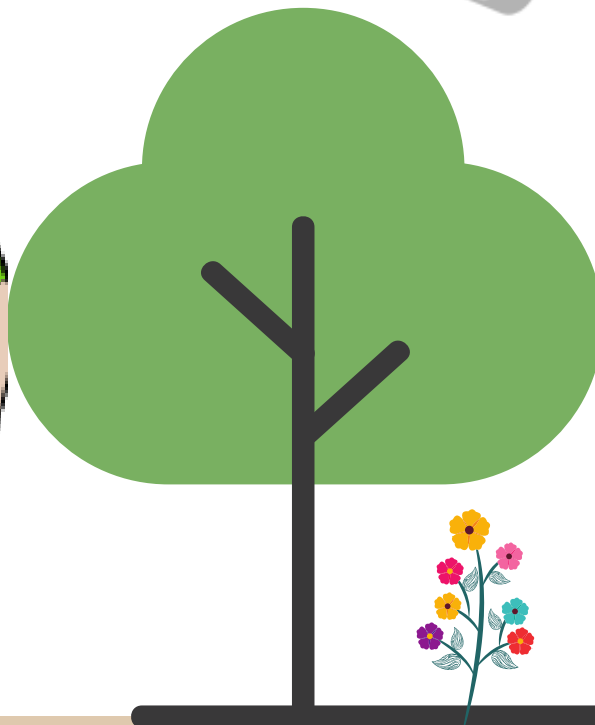

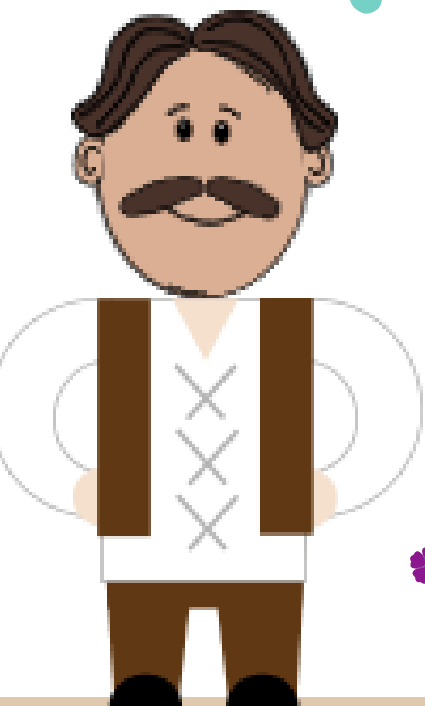

Čiv čiv čiv...

Bine, zdaj mi
pa povej kaj
ptiči pojo?

Ptiči pojo, da
bom jaz enkrat
tvoj oče.
